PROFIT WARNING AND INSIDE INFORMATION

This announcement is made by Prosper Construction Holdings Limited (the “Company”, together with its subsidiaries, the “Group”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (“Board”) of the Company wishes to inform shareholders of the Company and potential investors that, based on a preliminary review of currently available information, the Group is expected to record a loss before taxation of not less than HK\$80 million for the six months ended 30 June 2026 (“**Interim 2026**”), as compared to a loss before taxation of approximately HK\$57 million for the corresponding period in year 2025. The continuous expected loss for Interim 2026 is mainly due to unfavourable market conditions, the continuing war in the Middle East and the Group being in the process of business transformation, leading to decline in revenue in all business segments of the Group, causing the gross profit for Interim 2026 to decrease by approximately HK\$30 million.

Meanwhile, the Company is still in the process of finalising the results of the Group for Interim 2026. Information contained in this announcement is only based on the Board’s preliminary review of the unaudited consolidated financial statements of the Group for Interim 2026, which have not been audited nor reviewed by the audit committee of the Company and are possibly subject to changes. Shareholders and potential investors should pay attention to the Company’s announcement of results for Interim 2026 which is to be published by end of August 2026.

Shareholders and the potential investors are advised to exercise caution when dealing in the shares of the Company.
